VITEOR, 4CVA D RBODES, D., of Fredom lownship CONCRETE TO THE CONTRESS OF A CONTRESS OF A

Titt man who tores a Radical tasket

this full, votes to fisher negro suffrage mem Pennsylvania, The Scranton Register, a horelafore | ed to abide by the decision of the Conn utral journal, has put up the Denio cratic flag, and some out flatfooter

Tota Seabury Dimorrot says that Othe Democrat was wants to vote a Radical richet, either County or State, trust me, after that? No, no, sir; I

THE Democratic ticket is composed of active and deserving party men, and second receive the cordial support of bounds of your party, which, were I all who are hostde to the destructive

SECURAL of the old office holding stagers are hungering after positions on . the Radiess ticket, and are actively manoraving to scence them. If they get there, they must expect "the fu to fly." Old newspaper files are some times ugly things,

THE lists of voters are to be posted of tish." up by the  $\Lambda$  -resous on the doors of the  $^4$ electron-from secol the several districts. Let Democrats look at these lists and see that every Democratic voter is regr-level. Attend to this matter

Sees you have it! What will you do with 1.2. We mean you "Republic was, fort Samuel Herbst should immewho have you got the Pitteeath dately announce himself as an "Inde-Ann adment in your platform. Your | pendent 'candidate for Treasurer. Jenders have determined that you muet stand on that platform or leave the party. They have forced this choice upon you. How will you de-

Wittest the Rudienly are exceedingby anxious to first a few Domografic to help fill out their ticket, they are anlicitons only for the election of their own men. They want Democrats to act as "decay ducks," whist they make a strike for the game. Is there a Democrat in the county who cannot ee through such a manieuvre?

THERE are but two parties now the ly. Those who vote with the former thus declare that they taxed the rule transparent a trick, equality in everything. This is the

ter has it already become, that either is rank. Listion would rather see tion. Smith,

TRIAL OF F. WEENS BLACK,

A Radical meddler was sharply re-

bunty Convention. The Radical

that he would announce himself for it. that he would aimedines himself for it. July, forty-six baying been challenged. The Democraf heard him through and sollowing are the names of the jurors selected: then fired red but shot into him after Houry L. Miller, busid bet this fashion; "Sir, you may not understand that this approach of yours is insulting; but I so feel it. Had I been necessful in the Convention goal would have been the fast one to offer the symbathy or support. My Demoedples; the principles of the Democrate party have always been and arestill nine; and will *certainly* remain so as ong as your party shall try to make beside long as your party shall try to muice be issue and vaid, "what shall it do. Aris, the ignorant and fifthy negro the equal we have shall range shall not show that poor to my self and those who come after me. As a Democrat 1 look upon the action of the Covyention—an intelliging at and respectable body of men, and such addition. "We shall the shall need to be madded by "I stall, "I shall also the action of the Covyention—an intelliging at and respectable body of men, and the legality chosen representatives of the party as binding in the strongest ense. If I had been nominated such would have been my feeling, and can tion? Desides I was solemaly idealgention. With what kind of fact could I go before the people in violaleft the respect of every man who had any regard for consistency or veracity, no matter of what party? Who could can do nothing for you. Lam poor, but have thus far preserved a good name and can't afford to risk its ruin by doing a cheer thing for the sale now to the field as the Democratic

denouncing me as a vulgar, prejudiced copperhead, and sympathiser with treason," The Radical, ge ting a good deal more than he bargained for, shink away, but as he did so received crocodile, and will only impose on gudgeous. I don't belong to that class OFFICE a number of the Radical leaders, of town and country, were here on Wednesday, putting their heads together to doctor up a county ticker. To what extent they succeeded is not known to the outside world; but it seems that one of the points settled. To all who know Mr. Herber's steady 145 and active Republicanism, the shal-

reg, to ratch Democrats, is a fact not quen to dispute; it has no other ground to stand upon, In old Whig Emes the very men who comisel Mr. Herbsi's present inusual course, would have denounced it as disorganizing and treasonable to the party; but now, in their minority, they think it a good enough scheme to eatch nurvary Democrats. It can, however, deceive no one. The

Democracy of this county are too in-Demogratic party and the Radient par- (effigent and loo firmly intached to their principles, to be misted by so of white men, as designed by the The exercise of a little judgment trances of the government; those who and vigilance on the part of the vote with the laster, occlare for myra friends of white government, will sters, negrooffice-holders, and negro- frustrate this plot of the negroite

schemers, and send them to the "right direct issue, as made by the Radicals about," as they have been sent many a time heretofore. Demografs may delice in regard to the choice of caudi-DAVITORE BRUAKING IN MAINE, a judies by a nominating Convention, The America Standard and the Pauger but it does not follow that they are the moveral are prognessicating a Demo- therefore verdant enough to play into eracic sun-rise in Manne. at those fairs may win prizes. The first thing that will attract at ance, its condition, indicating the care that has been bestowed upon it to preserve its health-it should have every or boying genus, the skin should be clean and the coal smooth and glossy. Any other animal must have a clean. skin to indicate good Fealth. To insure this, the animal must be washed the work brings the answer.

listance, as fast as it is able without breaking into a trot. This is the first leson in "gnits," and it should b but posipone this until next year; a premium for fast walkers ought to satefy you this time, Training horse to trot requires care, patient and ckill. Neither the man nor the nse should become excited; If eithe does, a "break" is sure to occur, There should be no scolding, no whip

be applied, accompanied by an encour-aging tone of voice, but even this may ometimes do mischief. Keep th horse's temper toped down as much a possible and the driver's too. Gentle ords of encouragement in a soothing either by loe, whip or barsh words, he Cattle should be so well trained to

being field up or led that they can b moved from one place to mother with out any struggle, and so accustomed b Oxen should be trained to a quiet Sten, as one item of their value is fire

bhor and not for the butcher. swine should have clean skins, but not so fat as to be loo lary to stand up to be booked at. Sheep should be triaimed a little

necessary; but if they have been pas turing on high ground there will be no accusion for this. They should be gen the and accustomed to being handler and looked at. Poultry should have clean, airy enges, and not too many put logether.

down to wheat, we would arge the ben-cht of drilling in the seed with a ma-Nothing in agricultural practice, now-a-days, may be said to be better established than this, as every one knows who has ever tried it; and the report, last season in the Department at Washing ington, from all sections of the country, showed the grain in bushels per here to be in some sections 25 and 25 per cent, better with the drillad wheat. It is tound to be much less liable to be thrown out by frosts of Winter killed, and the free action of the atmosphere through the drills in the field, the uniform depth at which it is covered. eausing an evenness in the growth, toavi one peck less scot being required for sowing, are all advantages which belong to drilling, connected also with securing a better taking of the grass seed.

Drilly, as with other farm machinery have been greatly improved the flow years, and are now constructnot only to sow wheat, only, rye, Ac., in given quantities, but also to sow with it, grass seed and fertilizers in the rows, with the grain; so that the soil being previously well prepared. the whole is finished at one operation, and the ground left in nice, smooth condition. The ridges left by the drill are levelled down by the frosts of winter, giving additional protection to the tender roots of the grain and grasse Firtunge. CHRESTER, REBIRTEREIG, EDRIFT.

Sixteen pounds of greese and the lye from one barrel of ashes will make It is said that one of the most powerful remedies for botts in horses, is strong decoction of sage tea, made very
